Featuring Local Expert

Come enjoy lunch with us and learn about the end of life planning you need to do now in order to protect your family in the future.

Seating will be limited to the FIRST 25 people.

Information will be shared on several important subjects with a Question and Answer session to follow. You will learn about advance funeral planning and why it is so necessary for creating a healing and meaningful celebration of life. You will also learn how to avoid mistakes families sometimes make during times of grief. With the knowledge gained, you can then make a decision you will feel good about today and your family will be comforted by in the future.
